

CURRICULUM VITAE

جامعة الأزهر
Al-Azhar University-Gaza

Sami Ismail Ali Muslih

Last Update:05/02/2021

PERSONAL DETAILS

Date Of Birth	03/20/1963	Place Of Birth	Gaza
Nationality	Palestinian		
Martial Status	Widower	Gender	Male
Designation	Former Vice President for Academic Affairs		
Department	Physics		
Faculty	Science		
Tel. No. (Office)	082641885		
Fax No.	082641884		
Mobile No.	+970595260399		
E-mail Address	samimuslih@gmail.com		
Address(Office)	Al-Azahar University-Gaza		
Address (Home)	EI-Remal· Tel-Alhawa\ Gaza

ACADEMIC QUALIFICATIONS

(YEAR , QUALIFICATION , INSTITUTION , TITLE)

1995	Doctoral Degree· PHD·Middle East Technical University (METU)
1991	Master Degree· MSC·Middle East Technical University (METU)
1987	Bachelor Degree· BSC·Birzeit University

ADMINISTRATIVE DUTIES

(START_DATE - END_DATE , ROLE , LEVEL)

	Department
2016 ,2018	Head of the academic promotion committee Department
	Department
1998 ,2000	Head of Physics Department Department
2002 ,2003	One of The Editorial Board of Journal of Al-Azhar Univerisyt University
2003 ,2005	Dean of Post Graduate Studies and Scientific Research University
2003 ,2005	Editor in Chief Journal of Al-Azhar University University
2003 ,2005	Research and Scientific Comimitte Council (Chair) University
2006 ,2006	Founder of the International Conference on Mathematical Sciences University
2012 ,2018	Vice President for Academic Affairs Al-Azhar University-Gaza University

PROFESSIONAL AFFILIATION/MEMBERSHIP

(YEAR , ORGANISATION , ROLE , LEVEL)

	Member of birzeit University Graduate League Student National
	Arab Association of Mathematical Sciences Member International
	Assoicate member in ICTP The Abdus Salam International Center for Theoretical Physics Member International
	Member in the Editorial board of the Journal of Al-Azhar University-Gaza Member International
	Palestine Physical Society Member National
	Member of IAMP International Association of Mathematical Physics Member International
	International Association of Mathematical Physics Member International
2002	One of Founders of the Arab Mathematical Society Member International

AREAS OF EXPERTISE

(AREA)

Lagrangian and Hamiltonian Approach of Field Systems · General Relativity · High Energy Physics · Fractional Calculus and its applications in physics · Hamilton-Jacobi Quantization of constrained systems · Theoretical Physics · Mathematical Physics ·

EVALUATION ACTIVITIES

(DESCRIPTION , EVALUTION , YEAR)

Examiner PhD /Msc Thesis

- * Student Name: Hanaa Abdel Kareem Rezeq El-Agla' Master Thesis: hamilton Jacobi Formulation of Constrained Particles and Strings '2007
- * Student Name: Ola Mohammed Ali Shehata' Master Thesis: تكميم الأنظمة المقيدة ذا اللاجرانج عالية الدرجة، 2006
- * Student Name: Tahany Rezeq Nemir Dallul' Master Thesis: Math Integra Quantization of Constrained Systems '2004
- * Student Name: Mahmoud Rafeq Mahmoud Helles' Master Thesis: Singular Systems with Higher Order Lagrangian '2004
- * Student Name: Zaher Mahmoud Khalil Nassar' Master Thesis: Cononica Formulation of Singular System '2002
- * Student Name: Suliman Mohammed Salama Baraka' Master Thesis: Study of the Onset of the Earth magnetosphere under the Influence of the Solar Wind '2002
- * Student Name:Khalied Ahmed Abdellatif Ramadan' Master Thesis: Lograngion Hamiltonian Formulation for Singular System '2001

TEACHING

(LEVEL , COURSE)

First Degree

- * Mathematical Physics (1+2) at Al-Azhar University-Gaza
- * Classical Mechanics (1+2) at Al-Azhar University-Gaza
- * Electromagnetic Theory (1+2) at Al-Azhar University-Gaza
- * Statistical Physics at Al-Azhar University-Gaza
- * General Physics and lab Physics Courses at Middle East Technical University
- * Nuclear Physics (2) at Al-Azhar University-Gaza
- * General Physics (1+2) at Al-Azhar University-Gaza
- * General Physics 2 at Al-Quds Open University

Post Graduate

- * Field Theory at Al-Aqsa University-Gaza
- * Analytical Mechanics at Al-Aqsa University-Gaza
- * Special Functions at Al-Aqsa University-Gaza
- * Electrodynamics at Al-Aqsa University-Gaza
- * Particle Physics at Al-Aqsa University-Gaza
- * Advanced Course of Special Topics In Differential Equations at Al-Aqsa University-Gaza
- * Mathematical Physics at Al-Aqsa University-Gaza

Google scholar citations: h-index and i10-index

For the number of citations to my publications you can use the link:

<http://scholar.google.com/citations?hl=en&user=F0SNXjYAAAAJ>

The total number of citations until February , 04, 2021 is 2240

The h-index is 25

The i-10 index is 45
