المؤهلات العلمية

السنة ، المؤهل ، المؤسسة ، عنوان الرسالة	2006	الدكتوراه,جامعة شرق المتوسط-قبرص
(Approximate controllability of backward stochastic evolution equations in Hilbert space)		
الماجستير,جامعة شرق المتوسط-قبرص	2001	
(Radon measures in Banach spaces and their properties)		
البكالوريوس,جامعة الأزهر-غزة	1996	

السجل الوظيفي

من تاريخ - إلى تاريخ ، الوظيفة ، المؤسسة	2011 ,2013	استاذ مشارك, جامعة الأزهر-غزة
		استاذ مساعد, جامعة الأزهر-غزة
		محاضر, جامعة شرق المتوسط-قبرص
		محاضر, جامعة الأزهر-غزة
		معيد, جامعة الأزهر-غزة

الاهتمامات البحثية

اهتمام

, stochastic differential equations , fractional differential equations , control theory

بحوث في مجالات علمية

- Mohammed M. Matar Juan J. Trujillo (2015) . Existence of local solutions for differential equations with arbitrary fractional order,Arab. J. Math,139(15) ,.. ()
- Bashir Ahmad1, Mohammed M Matar and Ravi P Agarwal (2015) . Existence results for fractional differential equations of arbitrary order with nonlocal integral boundary conditions,boundary value problem,220(2015) ,.. ()
